v.

JOHN E. POTTER, POSTMASTER GENERAL  
Defendant

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA  
SAN FRANCISCO DIVISION  
COMPEL DEFENDANT TO RELEASE DISCOVERY 3<sup>rd</sup> request (portion)

Dear Honorable Judge William H. Alsup:

I wrote to you, Your Honor asking you to intervene in letters dated July 24, 2008 and August 11, 2008 and I haven't received a response. **Please!** Your Honor, intervene ordering the Defendant to release Plaintiff's discovery request (portion) that I may obtain **the dates Driving Observation was performed on the carriers who started when I did: their names are Sam Carey, Phillip Hong, Germil Libatique, Juan Ramirez and Monette Zuasola; when did each carrier complete the route assigned to them from personnel unassisted or any route, this information can be found on the Probation Period Tracking For RCA's.** This request was made before the cut off date of April 30, 2008; which Your Honor set for making requests of Discovery and Disclosure, so there shouldn't be a problem in me receiving stated request because it was made before the deadline. If Mr. Simmons is having a problem releasing this information it could only be for two reasons; (1) they are having difficulties obtaining all carriers observation sheets from personnel or (2) they see by the truth in the evidence that I have been wronged and no driving observation was done on any carrier during the time two observations were done on me, singling me out to receive different treatment then the other carriers, harassments and intentionally inflecting me which caused great physical and emotional harm to my person. Please compel the Defendant because they will not/have not complied with releasing Plaintiff's entire discovery request. Thank you for your attention in the matter.

Sincerely,

  
Katherine Williams Pro Se
